SPONSORSHIP OPPORTUNITIES

2025

A MESSAGE FROM THE PRESIDENT

Dear SITE SoCal Members,

As we step into 2025, I am filled with excitement and gratitude as we begin another year of growth, connection, and opportunity. It's a true honor to welcome you all to this exciting chapter, where our theme for the year is clear and powerful: ***"Relationships Matter."***

Reflecting on the remarkable year we had in 2024, I think we can all agree we ended the year feeling "Inspired." I can't help but feel immense pride in all we accomplished together. With record-breaking membership growth and a continued commitment to educational excellence, we soared to new heights, and each of you played a crucial role in making that happen. Our ability to Inspire one another allowed us to accomplish so much, but now, it's time to focus on what sustains and deepens our success: our relationships.

At SITE SoCal, we believe that connections are the heartbeat of what we do. Relationships Matter because they foster trust, open doors to new opportunities, and give us the strength to face challenges together. This year, let's celebrate the power of these connections. Let's invest in each other's success, support our communities, and continue to grow together as both professionals and individuals. By strengthening our relationships, we will build a more inclusive, supportive, and thriving SITE SoCal for years to come.

I'd like to take this opportunity to express my deepest thanks to our incredible sponsors, volunteers, and board members for their support. You are the foundation of our success, and together, we will make 2025 an unforgettable year for SITE SoCal.

I am beyond excited to see the amazing connections that will emerge this year—relationships that will not only shape our chapter but also create ripple effects throughout our industry. Thank you for your dedication, your passion, and your commitment to SITE SoCal. Here's to a year of meaningful connections, shared successes, and a vibrant, united community.

At your service and looking forward to the year ahead!

Krysteena Meredith

2025 President, SITE Southern California
